

COPE

Community Outreach and Prevention Education

Driving Wellness in Delaware

The COPE RV is here!

Helping you feel good in your neighborhood!

Operating from a RV, COPE offers adults 18 years old and over a wide range of medical assessments and screenings. Coming to a neighborhood near you!

No insurance? NO PROBLEM. COPE turns no one away.

COPE – offering life-saving screenings for:

- Diabetes
- Vision
- HIV
- Hepatitis
- Hypertension
- Nutrition
- TB
- Pregnancy testing

COPE RV has Wi-Fi – so we can make service referrals instantly!

Driving Wellness in Delaware

A BCCS Community Mobile
Health Service Program

COPE means helping people get screened for treatable diseases. **COPE means** health education. **COPE means** linking people to community-based services. **COPE means** health and resources. **COPE means** statewide community wellness.

COPE means Driving Wellness in Delaware!
Brought to you by BCCS.

Community Outreach and Prevention Education (COPE) is a new statewide mobile medical outreach program managed by Brandywine Counseling and Community Services Inc.

Change is good.

*"Our end game is that we get our statewide clients the medical services they need."
Domenica Personti, BCCS Director of Adolescent Services and Prevention*
